

### **We're Hiring: Business Controller**

Are you ready to take on a role where **numbers meet strategy** and **process improvement drives success**? Join our dynamic team as a **Business Controller**, where you'll play a pivotal role in shaping our financial reporting and decision-making processes. Plus, you'll lead a challenging ERP implementation project that's set to transform our business!

#### **BUSINESS CONTROLLER**

Based at our finance department in Cuxhaven (Germany)

#### **Keywords:**

**Industry:** animal health / **Segment:** livestock vaccines and diagnostics / **Location:** Cuxhaven, Germany / **Contract:** Permanent contract, Full Time, Possibility of working from home (1-2 days/week)

#### **Why This Role is Perfect for You**

- **Impact:** Be the cornerstone of financial accuracy and process improvement.
- **Challenge:** First lead the implementation of our ERP solution (MS Business Central) and then develop into a full-fledged business controller.
- **Growth:** Work closely with management, influence decisions, and make an impact on the future of our business.

#### **What You'll Do**

- **Take ownership** of financials, ensuring accuracy, compliance, and insightful reporting.
- **Lead the ERP implementation** and enhance our reporting processes.
- **Streamline workflows** for accounts payable, receivable, inventory, and payroll.
- **Analyse and improve processes**, bringing efficiency and clarity to our systems.
- **Support audits, budgeting, and forecasting** with precision and expertise.
- **Collaborate with stakeholders** to align financial goals with strategic objectives.

#### **What We're Looking For**

- **Education:** Bachelor's or Master's degree in Accounting, Finance, or a related field.
- **Experience:** 3-5 years in Financial Control, Audit, or Accountancy.
- **Skills:**
  - Solid general accounting and reporting knowledge
  - ERP expertise, especially with an implementation and as a key user (MS Business Central experience is a plus)
  - Project management and organisational skills
  - Excellent MS Excel capabilities
  - Fluent in **German** and **English**; additional languages like **Spanish** are a bonus
- **Traits:**
  - Proactive and hands-on
  - Structured worker with an eye for detail
  - Strong communicator
  - Thrives in a dynamic environment and willing to go the extra mile

### **What We Offer**

- A global yet **people-oriented** company with an international work environment that values transparency, inclusiveness and teamwork.
- A chance to lead **exciting transformation projects**.
- Opportunities to **grow professionally** and make a measurable impact.
- A culture of innovation and creativity where **continuous development** and learning is stimulated

### **Company profile**

Vaxxinova develops, produces and markets a wide range of innovative licensed and autogenous vaccines to protect livestock and fish against disease. We create high quality solutions to improve animal health and to support the business of our customers. We believe that innovation and excellence in research are essential to produce premium products that match the current and future requirements in animal health.

The Vaxxinova Group, headquartered in Nijmegen, the Netherlands, was officially named and founded in 2010 but can rely on expertise and presence originating from the 1960's. Our current network comprises production, research & development, sales and diagnostic facilities in 10 countries: Brazil, Chile, Germany, Italy, Japan, Jordan, Norway, the Netherlands, Thailand and the USA. Vaxxinova is active in more than 75 countries.

Our production facility in Cuxhaven, Germany, focuses on autogenous vaccines, livestock-specific prevention solutions when registered vaccines are not available or not sufficiently effective.

Vaxxinova belongs to the EW Group, a German-based family-owned company, specialized in Life Sciences; genetics, diagnostics and healthcare sectors. The EW Group is highly committed to R&D and active in more than 100 countries.
